

INSTRUCTION MANUAL

For CR1530-Z Zoom Gear for Canon
RF 15-30mm f4.5-6.3 IS STM

PN# 19597

FORWORD

Thank you for your purchase of a NAUTICAM product.

At NAUTICAM, we pride ourselves in the ability to recognize the requirements of professional as well as amateur underwater photographers and fulfill them through the innovative designs of our products. We strive to achieve a high level of user-friendliness by allowing stress-free installation and easy operation of all important functions of the camera.

Each product is individually inspected and water pressure tested to ensure optimum quality.

Please read this manual carefully before using the product, this will maximize its performance as well as its lifetime.

WARRANTY

All NAUTICAM Products are warranted against any material and manufacturing defects for two years from the date of purchase for consumer use. This warranty only applies to products purchased from authorized NAUTICAM dealers and does not extend beyond the original retail purchaser.

To return your product for service, please contact your regional authorized service center(s). Please note that this warranty only applies when the product is purchased in the territory where the service center is located.

NAUTICAM does not hold responsibility for damage, of any nature, to any equipment used with and/or placed within our products. NAUTICAM accepts no liability for any loss of captured images or the inability to capture images even if it is due to the malfunctioning of our products.

Unauthorized modifications and/or repairs of our products will automatically invalidate the warranty.

IDENTIFICATION OF PARTS

Locking ring

CR1530-Z Zoom Gear

Spare Rubber grips

MOUNT THE GEAR ON A LENS

1. Insert the CR1530-Z Zoom Gear as shown and place it over the lens.

- 2 Place the Locking Ring over the gear and plastic ring, and screw it into the thread on the gear.

3. To remove the CR1530-Z Zoom Gear, reverse the above steps.

The tightness between the CR1530-Z Zoom Gear and the lens can be adjusted by removing or adding rubber grips on either sides of the plastic C-ring, spare rubber grips are included in the package.

CONTROL THE GEAR

1. The CR1530-Z Zoom Gear can be controlled by zoom/focus knob of the housing.

After mount the camera and lens (with gear installed) on the housing, confirm that the zoom/focus knob operates correctly.
